STUDIO APARTMENTS

Offering flexibility for the single visitor, all studio apartments have a separate bathroom, kitchen & private hallway, with the main living area doubling as a sleeping area. Great care has been taken with the design of the individual studio apartments to maximise space and ease of living. Most of the studio apartments have three quarter beds that can be easily folded and discretely hidden behind closet doors if required. All studio apartments are provided as standard with bed linen and towels, ironing board and iron, hairdryer, radio alarm, welcome pack and weekly cleaning and linen service. All apartments have private direct dial telephone lines and individually controlled central heating for your comfort. Free WiFi access is available in all apartments.

THE GARDEN STUDIO

Decorated in a contemporary style the Garden Studio is a relaxed and comfortable apartment which is appointed to the highest of standards. A fully equipped kitchen (including dishwasher, fridge/freezer, hob, combination oven/microwave) allows guests to prepare meals at home, whilst for relaxation the lounge area benefits from a 32" flat screen TV, with freeview channels and DVD player. For something a little more tranquil, the apartment's private garden can be accessed from the lounge through the large glazed doors which open onto the lawn and patio area - complete with outdoor furniture. And of course to keep you connected, direct dial telephone, dataports and free WiFi access is available throughout the apartment and garden.
